Standard Guarantee

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer, will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bang's Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

TIMBERLEE'S CONSORT 6TH x - Was 1st in mixed competition at the 1960 Pennsylvania Nat'l., 3d at the 1960 Int'l Senior Champion at the 1961 Ohio State Fair, and Grand Champion at the 1961 Maryland State Fair. He was Champion in mixed competition at the 1962 Pennsylvania Farm Show. He is the best bull we have ever raised and we have a group of cows mated to him. His dam is a grand old cow with a lot of scale and ruggedness about her. She is by a Congress Champion right here in Lexington in 1948. We have a great deal of confidence in this bull - himself having great size, bone, ruggedness, and as smooth as any bull with his size that we have seen. Herd TB and Bangs Certified.

TULLEEVIN ESQUIREx - This son of the 1957 International Grand Champion Polled Shorthorn Female has a strong imported Scotch pedigree. His dam has had three calves two by horned sires, and all three have been Polled bulls. We are using this bull's older half brother, Avenel Radiant Sunset, in our own herd. Esquire is a dark red, rugged, low set individual and should make a good herd bull.

LSF ROYAL CAPTAIN 2D x - Here is a bull we present with pride and confidence. He is sired by the great Willow Lee Captain, our herdsire. His dam comes from one of the best families of the breed, the Estelle tribe. This bull is outstanding from end to end, a solid red a world of thickness and looks the making of a great bull. He stood 2d in the 1961 Ohio State Futurity Show (the strongest class of the show). We have mated him to a few females and he is a sure breeder. We have sold some outstanding bulls in previous Congresses but this bull is the best we have ever consigned. Our herd is accredited for TB and Certified for Bangs.

SUTHERLAND HEIR x - An extremely well grown son of the Champion, Eureka Fascination 3d. His dam was a great show heifer being Res. Jr. Champion at the International and Grand Champion at Michigan, but more important she is a great brood cow. Her first son is doing an excellent job for Bob Gracey of Tennessee, and we are keeping her 1961 calf by Louada Regalia. Loads of Championship breeding in this pedigree.

Polled Shorthorn Bulls are Tops for Cross-breeding.

SKIRMISH HILL'S CONSORT x - Stood 2d in a powerful group of Senior bull calves at the 1961 Ohio State Fair. By Timberlee's Consort x, he is out of a very fine young cow Mr. Odell selected for himself when founding his Skirmish Hill herd at West Chester, Penn. This bull is a good deep red, possesses a wonderful head, and has unusual depth of body. He is strong over his heart, and walks very well. This is truly a Polled Shorthorn bull with a Scotch Shorthorn pedigree. Herd TB and Bangs Certified.

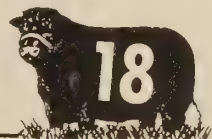

Polled Shorthorn Steers are Tops in the Feedlot.

WAWYLO TYPE FOOTSTEP x - A calf showing a world of promise both from his pedigree and as an individual. His dam, Hillcroft Nonpareil, was 12 years of age when he was dropped. She is the grandam of the top selling bull of our Farm Production Sale last year and has produced more replacement females for us than any cow in our herd. This calf is not highly fitted having been grown out in a 5 acre pasture with 8 other bulls. Weight on 1/17/62 was 1008 lbs. showing a 2.23 lbs average daily gain since weaning. Both his sire and grandsire are 100% dehorners.

TULLEEVIN ADMIRAL S 1 x- Has a beautiful Polled head, plenty of bone, a wealth of hair and plenty of size. Out of the good S & G Clipper 2d cow by the great International Grand Champion, S & G Admiration and by a son of the imported Pittodrie Upright. This calf has gained almost three pounds a day since we put him on feed. He looks the part of a herd bull and will be a herd improver.

SUMMIT JILL x - A November 11th yearling heifer, sells open. She is out of Superb Jill 6th, a cow that has enough quality to fit into the top herds of the country. Superb Jill 6th, was the dam of the white bull sold in 1960 Blue Ribbon fall sale in Indiana. Summit Jill has been pen fed and is not over fitted. She should be a good buying selection for anyone looking for good open heifers to mate with their herd sire. Calfhood Vaccinated from Certified herd.

P. S. Nonpareil 7th, x3081-710, the first prize junior heifer calf, Junior Champion, and Reserve Grand Champion Polled Shorthorn female at the 1961 International. This heifer is a very correct, straight-lined heifer, sired by the 1959 International Grand Champion Polled Shorthorn bull. Her dam is also the dam of the first prize junior yearling steer at the 1961 International. The only reason that we are selling her is that we have a full sister to her a few days old at Penn State.

FERN OF ASHBOURNE--The first polled heifer by the \$20,000.00
Louada Regalia to be sold. The Heifer is much too young to be sold,
but we wanted to put something good in the Congress. We are selling
the only two polled calves we had born in 1961.
